IN RE: IES UTILITIES INC.	DOCKET NO. WRU-98-39-151
----------------------------------	--------------------------

ERRATA ORDER

(Issued August 6, 2001)

On July 27, 2001, the Utilities Board (Board) issued an "Order Affirming Waiver Extension." There is an error in the last paragraph on page 2 that continues on page 3. The error concerns the date that Duane Arnold Energy Center costs are included in the definition of production costs.

The first two sentences of the paragraph are stricken and replaced with the following: "For the remainder of 2001, the contract amendment defines production costs to include generation costs for fossil and hydro generation. Beginning on January 1, 2002, production costs are defined further to include purchase power costs, both energy and demand, and variable costs for IES' nuclear plant, Duane Arnold Energy Center." The remainder of the order is unchanged.

IT IS THEREFORE ORDERED:

The "Order Affirming Waiver Extension" issued on July 27, 2001, is corrected as stated in the body of this order.
